A LETTER FROM YOUR MINISTRY TEAM

Ash Wednesday, 18th February marks the beginning of another season of Lent. These days a little mild abstinence perhaps, but in medieval times in England, we would be need to be prepared for Lent itself! The Sunday before Lent would have been Shrove (or Shriven) Sunday, just as the following Tuesday was (and still is to a few) Shrove Tuesday (Pancake day). This is from the old word to shrive or forgive from the practice of confession so that we start Lent aright! The Monday before that was known as "Collop" Monday – collop being a portion of meat, so using up the meat. And then on Shrove Tuesday confession again and using up eggs, and other things that were forbidden for Lent.

In more recent times, the days immediately before Lent are for deciding how we will keep Lent, perhaps what we will give up, or what we will include or even do with any money we save through our giving up.

In times gone by, there would also have been the festivities – and there would have been quite a bit of that as professor Ronald Hutton in his well researched book about the traditions surrounding our year - "Seasons of the Sun" tells us. Youths going round and often forcefully begging/cadging pre-lenten treats. Cock fighting and "threshing in" a display of animal cruelty that was widespread but would make most of us wince with discomfort these days. Then across much of the country, football – only not football as we know it, medieval society sustained a level of casual violence that we would find profoundly shocking today – and this version of football was no exception. Suffice it to say that even our rowdier terraces pale by comparison and mercifully after countless instances of turmoil and civic and personal damage (there were hundreds involved in most games) this has been confined to history.

These days our approach to Lent is pretty modest and personal, but a period of preparation to understand all that Jesus did for us through his death and resurrection – the things that we celebrate especially at Easter, is still essential. So as we approach Lent this year, I hope you are able to enjoy peaceful pursuits and can find time (with our churches, who will be following the season of preparation closely) to not only give things up – but also to look afresh at Jesus so that we can fully appreciate and celebrate the coming Easter. **Amen.**

"Jamie is well experienced in the roofing business, and his customer friendly and helpful attitude also gives confidence in his work. He'll certainly be my only call for any future repairs needed."

"Once again, J H Roofing Solutions did a great job, despite being hampered by the bad weather we've had recently. They visited the house in advance in order to make sure we were watertight and then completed the work as soon as the weather was dry enough.

I said in my previous review that I would have no hesitation in using J H Roofing again and that remains the case. Jamie and Charlie are professional and pleasant to deal with and do a great job."

WORLINGHAM NEWS

News from Worlingham CEVC Primary School

We welcomed our families back to school at the start of term in a flurry of snow and ice!

We had lots of exciting events in the lead up to our Christmas holidays including a trip to the pantomime, our school Christingle service, Christmas Nativity productions performed by the children and a party day. We ended the term with a visit to All Saints Church, where staff performed the Christmas story to the children. In addition, two of our pupils represented the school at the 'Carols by Candlelight' service at St Michael's Church in Beccles. Well done to Olivia and Gaby who volunteered to do a reading at this service.

This term we are inviting our parents in, class by class, to enjoy lunch with their child. This is an event that is always popular with our families.

At the start of our new term, our Y3/4 children enjoyed a brilliant Stone Age day experience. They completed some research, finding out facts about the Stone Age, and about animals that lived during this time. The children also completed some Stone Age artwork, involving lots of paint, and even went under the tables to complete some cave inspired paintings. We also had some Stone Age visitors, who had built a cave for us to explore on the school field.

We were excited to discover that our school has been adopted by Waveney Valley Leisure Centre in Bungay during January. This means that our pupils, families and staff can enjoy the free pass scheme for two weeks, during January, at the centre.

We wish everyone in the local community a happy and healthy new year.

Kind regards,

Holly Marchand, Headteacher

NORTH COVE & BARNBY NEWS

Thank You

We wish to thank all those who attended the Carols By Candlelight Service in North Cove church on 18th December.

The singing was led by the Community Choir which made the service rather special.

As per our usual practice we have donated the collection that was taken at that service to CRISIS, the charity for the homeless. I have therefore been able to send them a cheque for £239.92 and so on behalf of CRISIS I must thank everyone for your most generous support.

Many thanks, Judy Thacker

BECCLES NEWS

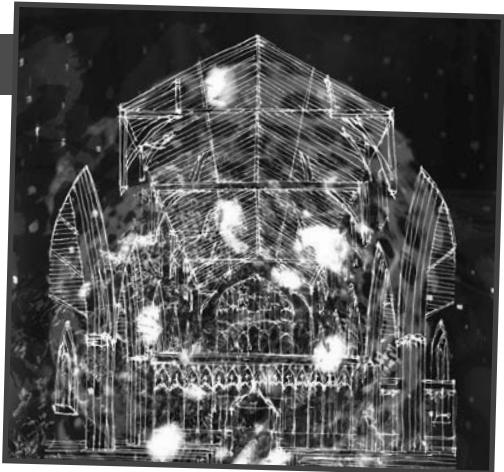

St Michael's Illuminated

Historic St Michael's Church, The Walk, Beccles NR34 9HE (Grade I listed) will host a spectacular light show on Saturday 14th March 2026 from 6.30 to 8.30pm.

The show is being designed by visual artist William Lindley who grew up in Beccles. His light shows have been performed across the country in recent years to great acclaim. The installations are frequently commissioned for historic buildings, festivals and public areas.

William is very pleased to be bringing his work to Beccles, which, he says, will show it 'in a completely new light'.

The event requires no booking. Visitors will be able to come and go throughout the evening as they please. They will be invited to make a donation. Refreshments will be for sale. Examples of William's work at www.williamlindley.co.uk give a taste of the quality and range of what he achieves.
