COLLECT

O Lord, we beseech you mercifully
to hear the prayers
of your people who call upon you;
and grant that they may both perceive and know
what things they ought to do,
and also may have grace and power faithfully
to fulfil them;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.

Amen.

FOR YOUR PRAYERS

Prayer for the world: Lord of Creation, we persist in our prayers for Ukraine, the Middle East and Sudan. We ask for divine wisdom for all those with power over war and peace; that they may soon find ways to bridge their differences and bring lasting peace. We pray for all those who live in fear from death and injury; that your Spirit of comfort will draw near to them and that you will hold and protect them. We pray for all those who are suffering hardship, injury and loss; that they may receive help and hope for the future.

For community: Merciful Father, we raise to you all those who are in need of your healing, comfort and grace. We raise these people to you knowing that you love each one and you know just what they need. Please give them your peace and extend to them pain free days, days with joy, days with progress and healing. We ask too that you give strength and comfort to all those who support them. We bring before you our friends and loved ones in care homes. We ask for their protection and to be settled and happy, and that happy moments are still possible with family. Let them know your presence. We pray for those who mourn at this time. Lord, wrap your loving arms around them all and let there be every comfort for them as they mourn their loss.

Mission Focus – MISSION FOCUS- RUKUNGIRI ORPHAN PARTNERSHIP

We pray for the Farmland Project which, under the leadership of John and Alice, provides food for children at the school. The farm is about 400 acres and is situated about 120 miles north of Rukungiri and so we pray also for all those involved in maintaining the lorry and transporting the food to the school over difficult roads.

Harvest Festival – On Sunday, October 4th, we will be giving thanks for this year's harvest and celebrating farmers those who work at sea and all others who provide us with our food. Following the Harvest Services at St Luke's, St Botolph's and St Michael's, we will be getting together at 12.30 for a Harvest Lunch at St Luke's. To help with numbers, please sign up using the sheet at the back of the church.

The Friends of St Michael's are hosting a concert by the **African Choir of Norfolk** on **Saturday 3rd October** 7pm at St Michael's. This is the choir that sang and danced in colourful costume at the installation in March of Archbishop Sarah Mulally – televised and now known nationally and internationally! Tickets, at £15, will shortly be available from Friday coffee mornings, Beccles Books, Edge Computers and me. Keep the date in your diary! Faith Darch

Thank you to all who greeted and signed in Riders and Striders last Saturday at St Michael's, and all who baked wonderful cakes and those who came to serve them and wash up all day for visitors who came for Heritage Open Days and the photo exhibition of the Beccles Photo Club. The refreshments were much appreciated, and we raised £172 for church funds. Faith

Thank you from me to all my generous sponsors and also to those who manned the churches. It really makes a difference when there is someone at a church to welcome you as a rider. For those interested in numbers, I visited 26 churches, cycled 43 miles and so far, the sponsorship has totalled £330. Peter Hobbs

Thank you to everyone who supported the Suffolk Historic Churches Ride and Stride – those who took part, helped to open churches and greet people, make and serve refreshments and to the coordinators from each church. Revd Dimitri.

Thank you! - A huge thank you to everyone who has completed a Bulletin Survey form. The good news is that we've had over 50 responses. However, your tremendous response to the survey also means that it will take us some time to work through your feedback. We will report back common themes, your likes and dislikes as soon as we can. Watch this space!

Prayer Stations - Until the end of October, there will be prayer stations at St Michael's, St Lukes and All Saints. Do have a look at the materials and information designed to support prayer.

Prayer for Growth

God of Mission, who alone brings growth to your Church,
Send your Holy Spirit to give vision to our planning,
Wisdom to our actions, Joy to our worship, And power to our witness.
Help our church to grow in numbers, in spiritual commitment to you,
And in service to our local community, through Jesus Christ our Lord. Amen.
