Caring for you and your loved ones

KRG Healthcare provide friendly and comfortable residential & nursing care for older people on the Suffolk/Norfolk border.

Manor Farm Care Home

Manor Farm Care Home is located in Kessingland, just four miles south of Lowestoft. This former fishing village boasts wonderful stretches of rural beach and is now one of the most famous holiday destinations in Eastern England.

The home strives towards a better quality of life, in the service it provides, through Short Breaks, Respite or long term care packages, adopting a systematic approach to the requirements of the individual, focusing upon the 5 Core KRG values of care, these being: Dignity, Choice, Candour, Compassion and Empathy.

Lound Hall Nursing Home

Lound Hall has been established as a Nursing Home since 1994 providing both long term and short term residential and nursing care, palliative/end of life care and continuing care for the older person. Lound Hall Nursing Home also provides some respite and post operative care.

Set in 2.5 acres of countryside this former manor house offers accommodation for up to forty three residents in twenty-nine single and seven double rooms with thirty rooms containing en-suite facilities.

A LETTER FROM YOUR MINISTRY TEAM

²⁴ Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize. ²⁵ Everyone who competes in the games goes into strict training. They do it to get a crown that will not last, but we do it to get a crown that will last forever. (1 Corinthians 9, vs 24-25)

.....Anyone who competes as an athlete does not receive the victor's crown except by competing according to the rules. (2 Timothy 2, v5)

What a summer of sport! The World Cup, Wimbledon, Cricket – indeed so many sports to enjoy (or endure if you are not a fan), quite apart from my personal favourite, the Isle of Man TT races that finished on the 6th June!! By the time you get to see this, the Wimbledon tennis championships which finish on July 12th and the World Cup (final on Sunday 19th July) will be well underway – and England's opening matches a distant memory. One thing however is certain, we will all have had the opportunity to see the very best competitors, whatever their nationality, at the very peak of their powers competing and displaying their skill.

This all seems a long way from the relative peace and tranquillity of the average church -and it may come as a bit of a surprise that, in connection with faith in Jesus, the bible references athletics and even boxing, something usually associated with the Greeks of their day rather than the Jewish peoples. When pursuing our faith, Saint Paul in particular uses the image of athletics as an encouragement to similar self discipline and teamwork – this is something with which he must have been very familiar.

What we will see in major sporting and athletics competitions, is the product of massive dedication and truly huge amounts of preparation and practice over not only weeks and months, but usually many years. The dedication exhibited, the discipline and teamwork often displayed, whether ultimately successful or not, is something to be admired and emulated in any aspect of life where we wish for success. This is why St Paul commends it to us in respect of our faith. Our churches should not be simply havens of peace and tranquillity in turbulent times, but part of our faith training regime, the direct equivalent of the training grounds & pitches at which athletes and teams spend so much of their time, day in day out.

I hope that whatever sports you may enjoy, by the time you see this you will have seen inspiring action! I hope also that in the pursuit of our faith, those same virtues of self discipline, dedication, teamwork and the pursuit of being the very best we can – will also be evident. I close with an extract from "The Ladder of St Augustine" by the poet Henry Wadsworth-Longfellow that together with St Paul speaks to faith, but would also be recognised by the athletes and players we will have been able to follow this summer.

"...We have not wings, we cannot soar; But we have feet to scale and climb
By slow degrees, by more and more, The cloudy summits of our time.
The mighty pyramids of stone That wedge-like cleave the desert airs,
When nearer seen, and better known, Are but gigantic flights of stairs.

The distant mountains, that uprear Their solid bastions to the skies,
Are crossed by pathways, that appear As we to higher levels rise.
The heights by great men reached and kept Were not attained by sudden flight,
But they, while their companions slept, Were toiling upward in the night.

Standing on what too long we bore With shoulders bent and downcast eyes,
We may discern — unseen before — A path to higher destinies,
Nor deem the irrevocable Past As wholly wasted, wholly vain,
If, rising on its wrecks, at last To something nobler we attain.

"Jamie is well experienced in the roofing business, and his customer friendly and helpful attitude also gives confidence in his work. He'll certainly be my only call for any future repairs needed."

"Once again, J H Roofing Solutions did a great job, despite being hampered by the bad weather we've had recently. They visited the house in advance in order to make sure we were watertight and then completed the work as soon as the weather was dry enough."

I said in my previous review that I would have no hesitation in using J H Roofing again and that remains the case. Jamie and Charlie are professional and pleasant to deal with and do a great job."

News from Worlingham CEVC Primary School

Wilder Schools Visit to Early Years and Key Stage 1

On Monday 1st June, Vicky from the Suffolk Wildlife Trust spent the day with the children in Early Years and Key Stage 1. The children enjoyed hunting for plants in our wildlife area, and they used magnifying glasses for a closer look!

EYFS Trip to Wood Farm Barns, Benacre

On Thursday 4th June, the children in Early Years went on their first school trip to Benacre. Although it was a very wet and soggy day, the children enjoyed den building and pond dipping, as well as an afternoon of games. The children all behaved beautifully, and were a credit to our school.

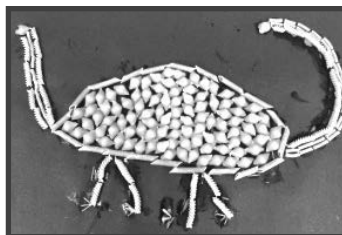

Science Week

During w/c 18th May, we held a fantastic Science Week all about prehistoric science! We began the week with a tongue twister about Mary Anning and learned about the incredible force of a T-Rex bite during Monday's assembly.

The Education Group visited us and taught us all about the different dinosaur eras. We had the opportunity to look at a range of fascinating fossils and even met a baby dinosaur called Bella! Throughout the week, we enjoyed lots of exciting dinosaur and fossil-themed activities in our classes.

A huge thank you to all of the teachers for their hard work and planning, and to the Friends of School for funding our amazing dinosaur workshop. It has been another successful Science Week, inspiring our future scientists! Thank you very much to Mrs Thompson, our Science Leader, for organising this special week.

Kind regards

WORLINGHAM NEWS

Worlingham Community Hall - The Finsihing Line Is In Sight

Little did we know that attending a meeting over thirteen years ago, about the possibility of a new village hall for Worlingham, would result in a commitment that in 2026 would finally come to fruition by the end of July!

A particularly significant development this year has been the establishment of a Management committee who will assume responsibility for the day-to-day running of the hall. This includes the all-important booking system for individuals or groups who wish to make use of the hall's facilities, as well as administration and organisation of the bar area and the kitchen. It has been especially pleasing that we have been able to recruit some new faces to assist in managing the hall, along with the assistance from some of the long-serving Trustees. Trustees will continue to have responsibility for the hall's utilities and for major items of capital expenditure.

We anticipate that the hall will be available by the date of the Worlingham Village Fete on Saturday 5 September, which will hopefully give us an opportunity allow visitors to tour the hall, ask questions of the various committee members and, above all, appreciate what an exciting asset the hall is expected to be for the village.

BECCLES NEWS

Climate briefing film comes to Beccles

A new climate briefing film is coming to Beccles, inviting residents to hear the evidence and discuss how to respond together.

In Beccles, a screening of ***The People's Emergency Briefing*** will take place at Blyburgate Hall on 10th July at 5pm. Tickets are free, open to everyone, and can be obtained using this link;

<https://buytickets.at/nationalemergencybriefingbeccles/2239696>

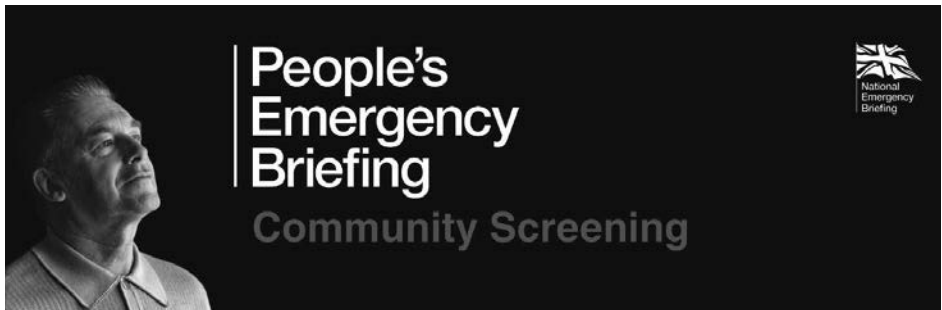

or contacting the organiser, Mark Popay, on
becclesclimatebriefing@btinternet.com

Our local MP, Jess Asato, will be there and the event will be hosted by Beccles Mayor, Joe Athorn. Local councillors, environmental experts and members of the emergency services have also been invited.

The event will consist of a 50 minute film, hosted by Chris Packham, followed by a 45 minute discussion and Q&A session. This will enable the audience to take in what they have seen and explore what action can be taken locally and nationally.

This event is about our future and is open to everyone regardless of politics, religion, educational level, ethnicity or national heritage. We especially welcome young people (over the age of 16) because they are the generation who will feel the effects of climate change the most. Please do come along and bring a friend, neighbour or family member: everyone is welcome.
