A LETTER FROM YOUR MINISTRY TEAM

Every morning around this time of year we are woken up very early by the very loud shouting of the hungry young house sparrows that have hatched in our roof! My husband is a bird ringer and so during breeding season he is kept very busy checking nest boxes and ringing the chicks, carefully recording the details for the national database. From tiny blue tit chicks to the very cute and fluffy barn owl chicks, each one is carefully handled, ringed and examined before being returned to the safety of their nests. It's an incredible time of year and I love watching the newly fledged young being fed by their parents in the garden!

Despite the early morning wake up calls, house sparrows are among my favourite birds. Particularly the males who are far from just a 'boring brown', with their smart caps and many-shaded wings. Once very numerous, their numbers have declined dramatically over the years. But that old favourite song from primary school still pops into my mind when I see them flitting in and out under the roof tiles – 'There are hundreds of sparrows, thousands, millions...'

That same song goes on to say that, despite their numbers, 'God loves every one and God loves me.' And you, too! And this time of year the signs of God's love for us are everywhere in the new life we are surrounded by. After the victory of Easter that we celebrated last month, the bursting of buds, the chirping of chicks and the springing of new lambs in the fields are all reminders of the new life we have through Jesus Christ. John 3:16 says, "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." That is a promise, direct from Jesus!

One of the other aspects of this time of year that I love the most is how long the days are. From the dismal darkness of winter to a time when the hours of daylight outweigh the night, it is such a relief! To wake to sunshine pouring through the window, to be able to drive home from work in daylight, to sit outside after dinner enjoying the scent of the honeysuckle, are just some of the many joys. Moving from darkness into light is another image used by Jesus to assure us of new life in Him, later on in the same Gospel, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life." (John 8:12)

So, with the many reminders of new life and the extended hours of daylight (and hopefully sunshine!) that this time of year brings, we can be assured that, by believing in Him and following Him, Jesus promises each and every one of us new life in Him!

Every blessing,

Kate

"Jamie is well experienced in the roofing business, and his customer friendly and helpful attitude also gives confidence in his work. He'll certainly be my only call for any future repairs needed."

"Once again, J H Roofing Solutions did a great job, despite being hampered by the bad weather we've had recently. They visited the house in advance in order to make sure we were watertight and then completed the work as soon as the weather was dry enough."

I said in my previous review that I would have no hesitation in using J H Roofing again and that remains the case. Jamie and Charlie are professional and pleasant to deal with and do a great job."

WORLINGHAM NEWS

News from Worlingham CEVC Primary School

Easter

On the last day of the Spring term, the children walked to church for a special Easter service. The kitchen also served an 'eggstra-special' Easter lunch for the children to enjoy. The Friends of School held an Easter Raffle and the lucky winner, one of our Reception pupils, was given her prize during the celebration assembly on the last day of term.

Sports Tournaments

Our children have continued to compete in sports tournaments alongside children from other local schools.

On 20th March, 20 Y6 pupils competed in a swimming gala at Waterlane Leisure Centre. The group took part in both individual and group events. They were very consistent in all of their races and worked very well as a team, placing third overall out of nine schools.

On 24th March, a group of Y3 and Y4 children went to Adventure Island to take part in some healthy eating activities. They had lots of fun climbing on the apparatus to complete the tasks and challenges.

Water Safety

On 23rd March, the children in Years 5 and 6 had a visit from the RNLI to discuss water safety, focusing on the dangers involved near open water. They even had a visit from their mascot, Stormy Sam!

Beekeeper Visit

The children in our Early Years were thrilled to have a visit from some local beekeepers. The children enjoyed looking at a hive and exploring honeycomb and wax. The children also loved tasting honey, trying on bee suits and learning lots of fun facts.
